

CHICOPEE®

J-Cloth® Plus Biodegradable

The compostable and biodegradable wipe

Chicopee® True Confidence™

The unique design and product features of the J-Cloth® Plus Biodegradable are based on the most renowned cleaning wipe, the J-Cloth® Plus. Its unique, open, wavy texture enables efficient pick-up of any dirt and makes it easy to rinse, ensuring longer freshness. In addition, this cleaning wipe is both compostable and biodegradable in accordance with the DIN EN 13432 200-12 standard.

Biodegradable
& Compostable

The most effective green cleaning solution

Problems

- Inferior disposable foodservice cloths cause high consumption and increase the time taken to clean
- Waste disposal and the cost related to this are constantly increasing, harming the environment and increasing the landfill
- Many foodservice cloths are hard to rinse and keep clean, wasting time and causing cloths to develop odour quickly

Solutions

- J-Cloth® Plus Biodegradable has a unique, open, wavy texture that enables efficient pick-up of any dirt to deliver the most effective green cleaning solution
- Because the J-Cloth® Plus Biodegradable is compostable and biodegradable it ensures environmentally aware waste management
- The unique open structure ensures maximum dirt collection, whilst being easily rinsable, ensuring wipes stay fresh for longer
